

# GRAND PRIX TECHAGRO GRAND PRIX SILVA REGINA GRAND PRIX BIOMASA

As part of the 16<sup>th</sup> TECHAGRO International Fair of Agricultural Machinery  
13<sup>th</sup> SILVA REGINA International Forestry and Hunting Fair  
6<sup>th</sup> BIOMASA Trade Fair of Renewable Energy Sources in Agriculture and Forestry

Brno Exhibition Centre  
**7 to 11 April 2024**

## ARTICLES OF THE GRAND PRIX TECHAGRO, GRAND PRIX SILVA REGINA AND GRAND PRIX BIOMASA COMPETITION

### ARTICLE 1

1.1 On the occasion of the TECHAGRO, SILVA REGINA and BIOMASA international fairs held between 7 and 11 April 2024, the best exhibit competitions – GRAND PRIX TECHAGRO 2024, GRAND PRIX SILVA REGINA 2024, and GRAND PRIX BIOMASA will take place.  
The competition is promoted and organised by: **Veletrhy Brno, a.s.**, Výstaviště 1, 647 00 Brno incorporated by the Regional Court in Brno, section B, Inset 3137  
ID. No: 25582518, VAT No: CZ25582518  
Bank connection: ČSOB, a.s. SWIFT: CEKOCZPP  
IBAN: CZ85 0300 0000 0000 0340 1803  
Acc. No: 3401803/0300

### ARTICLE 2

2.1 The Competition is intended for exhibits on display at the aforementioned international fairs with parameters comparable with world top class products or setting development trends in their disciplines.  
2.2 The Competition may also be entered by exhibits winning awards at other exhibitions or in other competitions; however, the GRAND PRIX TECHAGRO, GRAND PRIX SILVA REGINA and GRAND PRIX BIOMASA awards may be received by the same exhibit only once.

### ARTICLE 3

3.1 The exhibit is understood as a product, or a service presented in an exhibition stand in a space rented by the fair organiser (exhibitor) or in an exhibition stand of the exhibitor (co-exhibitor, another represented company).  
3.2 The exhibits may be entered into the competition by the exhibitor, co-exhibitor, manufacturer or an authorised legal or natural entity, such as an advertising agency, association, union etc. (hereinafter referred to as the "Entrant").  
3.3 One Competition Entry Form may only be used for entering one exhibit while the number of the Entrant's registration forms is not limited save for sets of products that form a part of a single consumer package or a series or system forming a single user unit.

### ARTICLE 4

4.1 The exhibits will be evaluated by an Evaluation Committee of experts in the respective fields. The Evaluation Committee's work is managed by its chairperson. The GRAND PRIX award will be presented by the CEO of BVW Trade Fairs Brno based on the recommendation given by the Evaluation Committee.  
4.2 The exhibits will be evaluated in categories determined by the Evaluation Committee according to the nature of the entered exhibits as part of the classifications within the individual fairs. Each exhibit may only be evaluated in one category. The classification in the competition category is made by the Evaluation Committee.  
4.3 The special category SOIL WATER RETENTION FRIENDLY is intended for exhibits that have a positive effect on soil properties leading to improved soil retention. SMART FARMING is intended for exhibits that use modern technology to increase the quality and quantity of agricultural production. Exhibits should have a high proportion of automation and robotics, make use of independent information and

communication technologies or create elements of cooperative systems. Entries for these categories can be made directly on the entry form where the boxes for these categories are marked.  
4.4 The Evaluation Committee will evaluate the exhibits according to criteria listed under Art. 6.1 in two basic rounds:  
1st round – pre-selection from the evaluated exhibits  
2nd round – evaluation – final selection  
4.5 The first round of evaluation will take place before the fair opening based on supporting data provided by the Entrant. During the evaluation of the second round, the applicant is obliged to provide the evaluation committee with a qualified demonstration of the exhibit at the stand in the period of 2 days before the opening of the fair, i.e. on **5 April 2024 between 1.00 pm and 5.00 pm**. In exceptional cases, an alternative date can be arranged with the organiser on **6 April 2024 from 9.00 am to 12.00 noon** (capacity is limited, the organiser may or may not accommodate the request).  
4.5 During the evaluation, the Evaluation Committee has a right to request of the Entrants or, as the case may be, the Exhibitors, any additional information about the exhibit and make use of information from other sources for the evaluation. The Evaluation Committee itself determines the importance of the relevant available item of information. During the evaluation, the Evaluation Committee will put more emphasis on verified data.

### ARTICLE 5

5.1 Basic terms and conditions for entering the competition:  
5.1.1 submission of a duly filled-in competition entry form **in electronic form only** within deadline, i.e. **by 28 March 2024** – after this date, the Entrant is not entitled to enter the competition.  
5.1.2 submission of supporting data for the evaluation:  
5.1.2.1 compulsory supporting data:  
– general characteristics, description and picture of the exhibit,  
– basic technical parameters, functional properties, basic operating instructions,  
– presentation of the exhibit in terms of its use and practical application,  
– analysis and assessment of the performance of evaluation criteria listed under Art. 6.1.1 – 6.1.7,  
5.1.2.2 supporting documents – data and documents concerning the arguments provided in the compulsory supporting data (e.g. official documents, approvals, permits, testing protocols from internal or independent test rooms, certificates, declarations of conformity, contracts, designs, drawings, calculations etc.)  
– promotional and information material concerning the exhibit,  
– description and picture of the exhibit in operation (video sent via web storage),  
– specialist articles and publications,  
– user references,  
– information about any prizes already awarded to the exhibit,  
– sample, mock-up, model, functional panel, poster, etc.,  
– further information at the Entrant's discretion,  
5.1.3 Payment of the registration fee to the account held by the organiser, totalling:

– for one entry CZK 4,000+ VAT  
– for two or more entries CZK 3,000 + VAT for each entry  
Once the registration fee is paid based on a duly filled in entry form, all Entrants will receive an invoice in the relevant accounting period.  
5.2 For the purpose of promoting and presenting the evaluated exhibits (posting on the Internet, press releases etc.), the promoter requires the following:  
– short annotation (in Czech and English) in a max. scope of 5 sentences characterising the competition exhibit  
– colour photograph of the exhibit in adequate quality, (ideally a product photo best characterising the competition exhibit The duly filled in entry form, supporting data for the evaluation, registration fee payment receipt, annotation and photograph of the exhibit must be delivered **by the deadline, i.e. 28 March 2024** to the promoter's address: Veletrhy Brno a.s., Jaroslav Bilek, jbilek@bv.cz  
5.4 The entry form, text and visual information and/or multi-media files must be sent **solely in electronic form** (by email or via web storage – as separate documents marked as: entry form, compulsory data, supporting data, annotation, photo, etc.).  
5.5 Once the exhibit meets the basic conditions for being entered into the competition, it will be put on the official list of evaluated exhibits which will be continuously posted on the internet including annotations and along with other current information.

### ARTICLE 6

6.1 Basic evaluation criteria:  
6.1.1 novelty of the product, innovation, originality of the conceptual, structural and functional design with a documented effect, technical and technological standards,  
6.1.2 user comfort (provision of guarantee and post-guarantee service, safety of operation, occupational hygiene, technical compatibility and application in the lines and systems in the CR, operation efficiency etc.),  
6.1.3 readiness of the exhibit for deliveries onto the Czech market (in terms of production, sales and compliance with legislative requirements),  
6.1.4 craftsmanship of the whole and the details, design,  
6.1.5 ecological aspects,  
6.1.6 overall presentation level of the exhibit.

### ARTICLE 7

7.1 The entered exhibit will not be evaluated if:  
7.1.1 the Entrant fails to meet the basic conditions for being included in the Competition (Art. 6.1),  
7.1.2 the Entrant or as, the case may be, the exhibitor, fails to provide qualified information about the exhibit at the request of the Evaluation Committee or the Promoter  
7.1.3 the Entrant cancels its participation at the fair,  
7.1.4 the Entrant removes the exhibit from the competition,  
7.1.5 the exhibit will not be on display at the fair,  
7.2 If not evaluated for reasons specified under Art. 7.1, the Entrant is not entitled to the registration fee refund.

### ARTICLE 8

8.1 The evaluated exhibits, the results of the competition (nomination and evaluation) and the list of the Evaluation Committee's members will be continuously made public via press releases and on the website of the competition promoter and expo organiser.  
8.2 The official announcement of the competition results will take place at the gala evening of the TECHAGRO, SILVA REGINA and BIOMASA fairs on **Sunday 7 April 2024 at 7 pm**.  
8.3 The winning exhibits will receive an original prize and a diploma that can be used to further promote the winning exhibit. For these purposes, the award-winning company is also entitled to use the competition logotype.  
8.4 The evaluation process is not public, and no appeal can be made against the final decision. The competition promoter and expo organiser is not obliged to provide rationale for the decisions of the committee.  
8.5 The promoter guarantees that the award-winning exhibits will be presented through media partners. At the same time, it undertakes to provide information about the competition and its results to additional media.

### ARTICLE 9

9.1 The promoter reserves the right to respond to technical and organisational circumstances that may result in changes in the deadlines or the course of the competition. All Entrants are guaranteed timely information.

BVW Trade Fairs Brno (Veletrhy Brno, a.s.)

#### Important information:

#### Deadline

Entry form submission deadline:  
**28 March 2024**

#### Evaluation:

Starting from **28 March 2024** continuously, based on supporting data supplied in electronic and written form and, as the case may be, a visit to the exhibition stands, during the last two days before the official commencement of the fairs

Results announcement:  
**7 April 2024**

# Main Sectors of TECHAGRO, SILVA REGINA AND BIOMASA trade fairs TECHAGRO

## TECHAGRO

International Fair of Agricultural Machinery

### Main Sectors

1. Tractors
2. Small agricultural machines
3. Machines for land/soil cultivation and treatment
4. Seeding machines
5. Planting machines
6. Machines for fertilization
7. Machines and equipment for plant protection
8. Irrigation systems
9. Forage harvesters
10. Machines and equipment for cereals, oil plants and legumes harvesting
11. Root-crops harvesters
12. Machines and equipment for special crops growing and harvesting
13. Fruit and vegetable growing machines and equipment
14. Machines and equipment for grapevine growing and harvesting
15. Transport and handling machines
16. Machines and equipment for postharvest processing, conservation and storing
17. Municipal applications
18. Machinery and equipment for waste processing (not for power production) in agriculture
19. Components and aggregates of machines and tractors
20. Measurement, diagnostic, laboratory and automation equipment
21. Seed, planting stock, agrochemicals
22. Farm inputs and materials
23. Services and education for agriculture
24. Cultivating mechanization
25. Beekeeping
3. Machinery and equipment for the disposal of exploitation remnants
4. Machines and equipment for forest nurseries
5. Machines and tools for forest regeneration
6. Machines and tools for the treatment and protection of young plantations and stands
7. Machines and tools for tending young forest stands
8. Machines and equipment for Christmas tree growing and sale
9. Machines and tools for logging operations
10. Machines for skidding operations
11. Machines for timber hauling
12. Machines and equipment for operational maintenance of forestry machines
13. Machines and equipment for timberyards
14. Machines and equipment for minor forestry production
15. Chemicals for forestry
16. Fuels and lubricants for machines in forestry
17. Mobile machines and accessories in forestry
18. Machines for forest engineering
19. Measuring, detection, control and communication devices in forestry
20. Means for occupational safety in forestry
21. Game management services and aids

## SILVA REGINA

International Forestry and Hunting Fair

### Main Sectors

1. Machines, equipment and aids for forest seed management
2. Seed and seedling materials for forestry and city verdure

## BIOMASA

Fair of renewable energy sources in agriculture and forestry

### Main Sectors

1. Fair of renewable energy sources in agriculture and forestry
2. Sources of biomass for energy utilization
3. Machines and devices for agricultural and forestry biomass processing
4. Dry thermochemical conversions – combustion
5. Aerobic conversion of residual biomass
6. Conversion of energy generated in anaerobic digestion
7. Science and research
8. Institutions, associations, organizations
9. Consultancy in the field of energy utilization of biomass
10. Insurance, financial and bank services in the field of energy utilization of biomass
11. Literature and publishing

# COMPETITION ENTRY FORM

for **GRAND PRIX TECHAGRO**, **GRAND PRIX SILVA REGINA** and **GRAND PRIX BIOMASA**  
As part of the 16<sup>th</sup> TECHAGRO International Fair of Agricultural Machinery  
13<sup>th</sup> SILVA REGINA International Forestry and Hunting Fair  
6<sup>th</sup> BIOMASA Trade Fair of Renewable Energy Sources in Agriculture and Forestry

**Exact name of the exhibit:**

**Exhibit entered in the category:**

GP TECHAGRO

GP SILVA REGINA

GP BIOMASA

**Classification of the exhibit in the sectoral breakdown:**  
(sectoral breakdown)

**Exhibit competes in the special category:**

SOIL WATER RETENTION FRIENDLY

SMART FARMING

**Brief characteristics of the exhibit**  
(about 5 sentences in Czech):

**Specification of advantages compared to competitors** (in English – about 5 sentences):

**Brief characteristics of the exhibit**  
(in English – about 5 sentences):

**Specification of advantages compared to competitors** (in English – about 5 sentences):

**Manufacturer:**

(company name and address, telephone, www)

**Exhibitor:**

(company name and address, telephone, www)

**Location of the exhibit within the expo area:**

(hall, stand no.)

**Registration fee:**

• for one entry CZK 4,000 + VAT

• for each additional entry CZK 3,000 + VAT

**Entry Form submission deadline: 28 March 2024**

**Entrant:**

Company name and address:
